Third "Fine Print Auction and Drawing on June 2"

Don't forget to attend the auction and drawing on June 2nd. The reception will start at 6 pm and the auction and drawing at 7 pm. At the writing of this article we had 37 donated prints for the drawing and had sold all but 7 drawing tickets. If you haven't purchased your ticket yet you can do so during regular gallery hours, Tuesday and Friday from 10 am to 5 pm and Wednesday from 1 pm to 7:45 pm. Tickets are \$45. And, don't forget to come by and preview the auction prints.

"Passion for Food?"

Share your talents with our photographic community. We have seven receptions each year and are looking for volunteers who are willing to host one or two each year. You would decide what to serve (we do have a budget) and shop for everything but the wine. Then come about 1/2 hour before the reception and set up the food and punch table (there are always helpers for this.) We are looking to fill the August 11 slot this year and all seven receptions for next year. If you can help out call Rebecca Gregg at 916-789-2757.

"Just One Tuesday Each Month"

We are presently in dire need of a volunteer docent to fill the first Tuesday of each month time slot (10 to 5). A chance to spend 7 hours each month with some great photography. SVPAC offers an opportunity in our area for photographers and photography lovers to see work of local and national importance. However, without our docents our doors are closed and the walls are dark. If you are interested in being a docent call our Docent Coordinator, Lloyd Fergus at the gallery on Fridays between 10 and 5 at 441-2341.

"On Other Walls"

"Windows", photographs by SVPAC member Liz Welsh Abad, is on exhibit through July 5th in the Sacramento Commercial Bank Lobby at the corner of 5th and J Streets. This new series of photographs shows a glimpse of the intrigue behind the familiar. The exhibit space is supported by the Corporate Bank Center, Trust Fund for Public Art and administered by the Sacramento Metropolitan Arts Commission Art in Public Places Program. Hours are 8am to 5pm Monday through Friday.

"Field Trip Print Night"

Print night in June is the time for sharing prints from two recent field trips.. Julia Morgan House, and Telegraph City. June 6 at 7:15 pm. It's always interesting to see those other perspectives on the same subject.

“Hutchings Exhibit a Great Success”

Our current exhibit “Seeing in Silver” photographs by Gordon Hutchings has been very well received. Fifty-four people attended the discussion prior to the Second Saturday reception, and the reception was one of our best attended. The Sacramento Bee wrote a nice review, and as of this writing it was still posted on the SacBee website events page. Many thanks to Gordon’s wife Patty who organized and produced a bountiful feast for both the palate and the eye.

Donate your Fine Print to Our Third “Fine Print Auction and Drawing”

The “Fine Print Auction and Drawing” is our primary fundraiser, and we need your help. Please donate one of your fine prints to our drawing. If your donated print is unframed, please mat it to a standard size (8 x 10, 11 x 14, 16 x 20, etc.) to fit our exhibit glass.

Prints can be delivered to the gallery during regular hours on Tuesday April 10 from 10am to 5pm, Wednesday April 11 from 1pm to 7:45pm and on Tuesday April 17 from 10am to 5pm.

This year's event is shaping up to be the best yet. We have received commitments for donated auction prints from over 21 photographers with national reputations. Tickets for drawing prints can be purchased at the gallery for \$45. This is a great opportunity for collectors to find exceptional bargains. Be sure to attend the auction and bring your friends.
